February 2008

14th February 2008

Due to a long-term illness, Mrs Griffiths will not be in school for some time. The school governors have appointed Mrs Calladine as Acting Headteacher. Until the May SATs tests, Mrs Calladine will continue to teach Numeracy and Literacy each morning in Year 6. Mr Cartledge will teach Year 6 Science for two afternoons, while Miss Simpson takes Year 5. Miss Simpson will also teach Year 6 the foundation subjects and IT. We know you will join us in sending Mrs Griffiths our very best wishes.

Community Centre Car Park

The Community Centre Car Park is being resurfaced and will not be available for parking for week commencing 25th February 2008. We have also been notified by the council that they will be making improvements to the play area shortly.

Dinner Money

The cost of school dinners for the next half term will be £41.85. Please make cheques payable to Derby City Council. Please remember that you must give the office at least 2 weeks notice if your child wishes to change between sandwiches and school meals. You can contact the office by email admin@parkview.derby.sch.uk.

Inset Days

Don't forget that school is closed for pupils tomorrow, 15th February, for staff training. We will re-open on Monday 25th February.

School will then be closed on Friday 21st March and Monday 24th March for Easter Bank Holidays and Tuesday 25th March for staff training.

All holiday and inset days can be found on the school website www.parkview-sch.co.uk, along with copies of school newsletters.

Enjoy your half-term holiday!
