

Parkview Primary School

Climate action plan 2025-2026

<p>Baseline Carbon Footprint</p> <p>202.74 tonnes CO₂/Year</p>			
26% energy and utilities	22% transport	10% food and drink	42% purchases

Goal	Action	Steps	Timeline for the action or expected completion date	Resources
Decarbonisation	Reduce carbon emissions in our buildings by completing the changeover from light bulbs to LED bulbs. Infants and early years including corridor lights, staff room & toilets, office and foyer areas and the school hall	<ol style="list-style-type: none"> Surplus LED lights to be fitted in Year 4 & 5 classrooms in January 2025. This will be completed as part of our maintenance package. 	<ul style="list-style-type: none"> 3 months for phase 2 of project End of 2026 for full completion. 	<ul style="list-style-type: none"> Staff involved: DCC, CM and MJ Cost: 2026 budget – approximately £12,000. Possible use of energy efficiency grant?

	were completed in October 2024 (approx. £12,000).	<ol style="list-style-type: none"> 3. Train staff to use the new lights and replace when necessary – as we have surplus from original fitting. 4. Plan for budget 25-26 to support the fitting of LED lights in Years 3 and 6. 		
Biodiversity	To redevelop the pond area in school.	<ol style="list-style-type: none"> 1. Current audit of the area needs completing to establish what needs to be done to make it a working area. 2. Work alongside DCC and external agency to work with pupils to develop area. 3. Maintain the area using Eco Committee. 	<ul style="list-style-type: none"> • Spring 1 2025 	<ul style="list-style-type: none"> • Staff involved: DCC, MW, MJ, BD • £500

<p>Resilience and adaptation</p>	<p>Educate the children further around climate change.</p> <p>Improve further, children's understanding of sun safety.</p>	<ol style="list-style-type: none"> 1. Ensure at least 1 annual assembly per year discusses how the climate is changing. 2. Encourage children to walk to school, with a 'Walk to School' week. 3. Send out summer newsletter on sun safety. 4. Provide each class with sunscreen. 	<ul style="list-style-type: none"> • Summer 2025 	<p>Staff involved: SLT, CM</p> <p>Cost: £40</p>
<p>Climate education and green careers</p>	<p>To improve the effectiveness of Eco Committee with a focus on whole school projects and impact.</p>	<ol style="list-style-type: none"> 1. Weekly meetings with the committee with a focus on whole school projects where energy use can be reduced. 2. Project on school water use and reducing this. 	<p>Summer 2025.</p>	<p>Staff: BD</p> <p>Cost: £50</p>
