

Welcome back to the final half term of this school year! It seems to be whizzing by again but we are hoping for another fantastic half term.

In the coming weeks, we would be really grateful if you could do the following to support us in school, in teaching the children all about being safe in the sun:

- Apply a layer of sunscreen before school each morning during the summer months.
- Send your child into school with their own, clearly labelled sunscreen - they will be reminded about applying this throughout the course of the day. This should be a minimum of 30 SPF with minimum 4 star UVA protection. Please remind your child not to share this with anyone else. Pupils will be expected to apply the sun cream independently to help them learn about sunscreen application – younger children will be supervised to ensure full coverage.
- Remember to send your child every day with a hat.
- Fill water bottles at the start of each day – teaching staff will remind the children throughout the day to drink plenty and to fill these up when needed.

**Thank you for your support with this!**

Well done to our Year 6s for showing superb attitudes during their SATs week. I know I was extremely proud of the way they approached the week and showed true Parkview 'can do' attitudes.

Finally, I am now in a position to share with you, your child's class teacher for next year. As always, if there are any queries, or anything we can help with, please let us know. These details are found on the final page of the newsletter.

## House Point Winners

Well done (again!) to Elm house for gaining the most tokens over the last term. To celebrate another win, they all enjoyed ice lollies in the sunshine, with Mrs Cunningham!

End of year totals will be shared in the final week of term in July.

## FAREWELL

At the end of this school year, we will sadly be saying some farewells to several members of staff.

### Miss Banks

Miss Banks started with us in 2022 and has been a valued and extremely dedicated member of our team, always going above and beyond to support our pupils.

She has contributed to the learning and success of many children.

Miss Banks is leaving us to start her teacher training. We all wish her the best of luck! She is going to make a great teacher.

### Mrs Greaves

Mrs Greaves will retire at the end of the year after working at Parkview for over 20 years! She has impacted upon the lives of so many young people at Parkview, particularly in the Arts: teaching children to sing, giving them the opportunity to play a musical instrument and by leading our very special Musical Theatre Group, which has no doubt, brought joy to so many people in our community. Parkview will not be the same without her. We wish her a long, happy and healthy retirement.

### Mrs Beard

Mrs Beard has taught at Parkview since 2003. She has now decided to move away from the teaching profession to spend more time with her lovely family. Mrs Beard is an excellent teacher and will be greatly missed. She has worked tirelessly to deliver exciting learning opportunities for our pupils and has led Religious Education excellently across school to enrich the learning of all pupils. On behalf of everyone at Parkview, I hope the next chapter of your life is everything you hope for!

### Miss Thompson

Miss Thompson has been part of our team for 3 years and has successfully taught both infant and junior children in that time. She leaves us as she has successfully been appointed as teacher in another school and they are extremely lucky to have her! I know all the children she has taught have thoroughly enjoyed being in her class. We wish her the very best of luck in the next step in her teaching career. Thank you for all of your hard work at Parkview.

Good Luck 

# Story Garden

*"There is more treasure in books than in all the pirate's loot on Treasure Island."*

*Walt Disney*

This is a fantastic free reading challenge for this summer holiday—join in 21 June – 30 September!

There are two ways you can take part:

You can take part in person at your local library. The library will give you a special sticker poster and other special incentives, and help you find books to read for your Challenge.

Alternatively, take part online [Join-in | Summer Reading Challenge](#) . Set a reading goal and log your books on your profile. When you reach your goal you will unlock a limited-edition online badge and certificate.

## Water Safety

As the summer holidays approach, where children spend more time around water, we have arranged for a water safety talk for our pupils this half term. Children will be taught about the water safety code below, which is designed to provide simple and easy to remember information.

## ALWAYS FOLLOW THE **WATER SAFETY CODE**

## CLASS ARRANGEMENTS FOR ACADEMIC YEAR 2025-2026

Please find information below regarding your child's class teacher for next year.

We welcome Miss Ellie Village to our teaching team and Mrs Emma Atkin as our new HLTA covering PPA across school.

### The Book Bus

Thank you to everyone who showed their support when The Book Bus visited in May. We raised a huge £179 for school funds which has been used to contribute to this term's guided reading books. We hope you managed to pick up something exciting to read at home too!
