

Parent Forum 06.02.26

Thank you to the lovely group of parents who attended our parent forum this morning. We appreciate the time you took out of your day to come and talk to us about making our school even better.

Mrs Cunningham and I thought it would be helpful to update all parents about some of the things that were discussed and the action we have taken as a result of this.

1. When are the INSET days next year?

Friday 4th September 2026

Friday 27th November 2026

Monday 22nd February 2027

Monday 12th April 2027

Monday 21st June 2027

2. Thank you for the more consistent approach when using red and yellow cards. We have seen a real difference.

The group of parents said they felt there had been much more consistency since our last meeting. Parents were informed that this was discussed with teaching staff, the following week, in our staff meeting. We are glad this worked!

3. Can all key dates be in one place?

All previous newsletters are on our website, where you will find key dates for each half term [Parkview Primary School - Newsletters](#)

4. Can you set up an Amazon Wishlist so parents can purchase resources for school?

Mrs Lymer is going to look into this for us and hopefully we have some developments to report with this, before the half term break.

5. Is there any way we could get more information about how phonics is taught at Parkview?

On Wednesday 11th March, between 8.50am and 9.20am, parents of children in **Reception and Year 1 ONLY**, are invited into school see how phonics is taught in your child's group. Learn how the session is delivered and how sounds are taught.

6. Is there anyway we can help to support school funds?

We have an active PFA who have events throughout the year to support school resourcing. Please contact Michelle on:

PFACHAIR@parkview.derby.sch.uk if you would like to help!

7. Can parents help to spruce the school up in any way?

We have a number of projects in mind for school – we could do with some volunteers to help with these. If you are green-fingered, or enjoy DIY and/or painting, and are happy to give us a couple of your hours, please reach out and let a member of staff know.

Next parent forum:
Friday May 1st @8:50am

Thank you once again to the support show by the group this morning.
